Welcome

The doctors and staff of Active Spine Chiropractic welcome you and want to provide you with the best possible care. We will conduct a thorough history and physical examination to decide if we can assist you. If we do not believe that your condition will respond to chiropractic care, we will not accept you as a patient but will refer you to another health care provider, if appropriate.

Insurance

This office will process your insurance forms upon request. We will do our utmost to provide sufficient information to your carrier to obtain payment for your treatment. We have found that, in some instances, however, insurance companies will deny or reduce payment despite our best efforts to demonstrate the necessity for care. In the event that full payment is not made for any reason, you must understand that you are responsible to make payment in full.
